

These Plants Are **FREE**

*Estas
Plantas son
GRATIS*

These

were grown in Peekskill and are ready to go in the ground. Take some. Plant them. Share the harvest with your neighbors.

Estas plantas se cultivaron en Peekskill y están listas para entrar en el suelo. Toma algunas. Plantarlas. Comparta la cosecha con tus vecinos.

START YOUR OWN MICRO-NURSERY:

Plant (or buy) extra seedlings.

Place them somewhere accessible on your property with a sign that says 'FREE'.

Use social media to let your neighbors know what you've got!

This project is an initiative of the Peekskill Sustainability Network.
